

MINDESCAPES® · CLUB DISCOVERY NETWORK · THE NILGIRIS

The MindEscapes® Membership.

A detailed guide to everything your membership holds — the minds that built modern India, a proven method to redesign your business, a Concierge® that never sleeps, and a home in the mountains.

THE MINDS

THE METHOD

THE MOUNTAINS

THE CONCIERGE®

One membership. Four worlds, connected.

MindEscapes® is not a resort membership, nor a city club, nor a learning programme — it is all of these, designed to work together. Every part of the ecosystem feeds the others: what you learn in a masterclass shapes your design sprint; what the Concierge® learns about you shapes every stay.

01 · THE MINDS

Guardians, Boffins & Maestros

A Board of Guardians led by Sam Pitroda, a Circle of Boffins, and wellness Maestros — masterclasses, firesides, mentorship and films, reserved for members.

02 · THE METHOD

AdvantEdge™ Design Sprint

The chief benefit: a complete two-day design-thinking sprint in the Nilgiris that redesigns your products, processes and strategy — with 30 days of implementation guidance.

03 · THE MOUNTAINS

The Estate & Club Network

Member rates at the MindEscapes® Experience Centre in the Nilgiris — suites, dining, spa — and doors into a worldwide network of partner members' clubs.

04 · THE CONCIERGE®

One number for everything

Twelve concierge desks on WhatsApp, phone and in your member area — travel, dining, wellness, celebrations, errands and the once-in-a-lifetime.
